FREE PRESCRIPTION FOR THE "BLUES."

To those who frequently feel blue
Some good advice;
Permit us to prescribe for you;
No squills, quinine or catechu,
But something nice.

Read each advertisement, every word,
Now read another one—then a third.
Digest them—'twill do you good.
Then laugh, where laughing's understood.
Should you, by laughing, thus "grow fat,"
We'll make no extra charge for that.

One half the world's hard trials might
With laughter be adjusted;

GREETING.

The two organizations who are co-operating in putting on the program of the evening extend a cordial welcome to all present.

They wish to thank the several friends from the vicinity and nearby towns who have so generously contributed their talent and time in making the program a success; also to thank merchants and business men who have co-operated by furnishing their advertisements; also to express our appreciation of the leadership of Herb. Lloyd and Mrs. Lloyd whose genial personalities and patient instruction have made the grinding practice a real pleasure.

* * * * *

The minstrel show is only one phase of the work of the co-operating organizations who are furnishing the entertainment of the evening.

The Everyman's Club for a while inactive has, during the past three years been active in promoting good fellowship among the men of the community by their social evenings when guest speakers were presented, and entertainments furnished to all who attended. On occasions they have had as guests men from the C. C. C. Camps, who are always welcome.

During the out-of-door season their program has been varied by picnics and a clam bake.

The Clubs meets the last Friday evening of the month and any man is welcome at the Everyman's Club.

* * * * *

The young people of the Christian Endeavor Society have made a notable record during the past year.

They use the Commission Plan of organization with five Commissioners, namely: (1) The Cabinet (executive); (2) Devotional Life; (3) Stewardship; (4) Service and (5) Fellowship. The devotional meetings are held Sunday evenings at 6:45 and their business and social meetings each month, sometimes at Dusty Loft.

Their membership and attendance at devotional meetings are increasing.

You will see this clever little girl tonight. Listen to her perfect triple taps.
